29<sup>th</sup> June 2022

Dear Parent/Guardian,

On behalf of the Board of Management, I am writing to you requesting the parental contribution for the 2022/2023 school year to help us with the running costs of the school.

Each year we receive a Capitation Grant from the Department of Education & Skills to help us meet our day-to-day expenses. This money is used among other things to cover the cost of heating, lighting, maintenance, Public Liability Insurance etc., but it does not cover our entire costs for the year.

Parental contributions are necessary to supplement the Capitation Grant and they are also used to pay for

**Personal Accident Insurance – School Activities only.**  
**Photocopying**  
**School Retreats**  
**P.E.**  
**Homework Journal**  
**Art**  
**Office 365 Applications (Word, PowerPoint etc).**

In essence, parental contributions are vital to our aim of providing the best quality education possible for your daughter.

We respectfully request payment of **€95 per pupil, €115 per family of two & €135 per family of three or more**, whichever amount is applicable to you. Payment can be made through the School App. **from 15<sup>th</sup> August 2023.**

If such payments place too heavy a burden on families please contact me in writing by Friday, 19<sup>th</sup> August.

As part of the Government's Healthy Eating Campaign could I take this opportunity to urge you to consider school lunches next year and try to maintain a healthy nutritional balance with same. All students are encouraged to use a re-useable water bottle at school.

Yours sincerely,

Donnchadh Ó Briain  
Principal
